

# SIVB Student Registration Fellowship Application

Society for In Vitro Biology (SIVB) is working to secure funds for Student Registration Fellowships. These fellowships will provide registration to students attending the 12th IAPB Congress/2010 In Vitro Biology Meeting. If the fellowship recipient attends the 2010 meeting, they will also receive free membership to the SIVB in 2011.

The exact number of fellowships to be granted has not been determined at this time. Please read and follow all directions carefully. Students who wish to apply for a fellowship must complete and return the following documentation:

1. This application form completed.
2. Abstract to be submitted to the meeting.
3. Xerox copy of student's current student ID card.
4. Letter from student's primary thesis or research advisor stating the following:
  - a. Verification of current status as a student in the advisor's lab as of June 6, 2010.
  - b. Anticipated graduation date of student applicant.
  - c. Brief description of level of effort expended by student applicant on the project that is described in the submitted abstract

## Rules for Fellowship Application

- Awarding of Fellowships is NOT guaranteed and is dependent upon quality of abstract submission and SIVB's ability to raise funds for this purpose. Applying does NOT guarantee funding.
- Fellowship is only applicable to registration fees and notification will be made AFTER completion of funding is available.
- No travel reimbursement is available through this fellowship.

**Please attach all items to an email and send to [sivb@sivb.org](mailto:sivb@sivb.org) by January 15, 2010.**

**The email should be entitled:**  
*SIVB Student Registration Fellowship Application – “your full name”.*

If you need to mail in your application, please mail your form to:

SIVB Student Registration Fellowship Application  
Society for In Vitro Biology  
514 Daniels St., Suite 411  
Raleigh, NC 27605

**Your form must be received in the SIVB Business Office on or before January 15, 2010 to be considered. Forms received after January 15 will not be considered.**

Please note:

- Incomplete submissions may not be considered for award.
- Postdocs are not eligible for these awards.
- Fellowships are only for the \$400 early bird registration fee. All applicants will be notified of their awards no later than February 21, 2010 in time to meet the abstract submission cutoff of March 1, 2010.
- Awards are limited and thus, the reviewing committee urges early application by students for these funds.
